Exit Ticket: My Coding Experience

1. I thought programming an app was

   fun   ok   boring

2. I thought using code to build an app was

   easy   kind of hard   difficult

3. The coolest thing about building my own app was

4. The hardest thing about building my own app was

5. I'd like to try more coding!

   Yes   No   Maybe
